

Governor OK's Signals At 2 Skyline Crossings

Governor Goodwin Knight has notified the Westlake Improvement Association that the state now considers traffic signals "advisable" at both the Westridge and Westmoor intersections on Skyline.

Announcement was made Monday night at the WIA meeting by Edward Murphy, the group's traffic committee chairman. He read a letter dated November 25 from Knight, reporting that the state is drafting plans for signals at both danger spots.

How soon the signals will be installed was not known. The state previously said no funds for the work were available in the current budget.

Considerable Effort

Knight's message and the state's "reconsideration" is regarded as a major victory for the association in its intense campaign for traffic improvements at the long-neglected intersections. A personal conference with the governor got results.

Speaking for his committee, Murphy said, "We welcome these signals, but we know these must be only temporary measures. We're still going after an underpass at Westridge and a diamond-leaf traffic control pattern at Westmoor."

In other main business Monday, directors discussed topics ranging from Northgate Transit company's jitney service to major league baseball.

Hearing another from the audience complaint on the "sorry condition of the jitney service here," directors, on motion of Charles Santuccio, authorized a letter to the city council to determine if that body has control of rules and regulations for operation and safety-status of the jitneys in its contract with Northgate Transit company. A copy will also go to the transportation firm, reminding them of numerous complaints for allegedly "faulty and overcrowded vehicles."

Edward Murphy, later changing his mind, at first opposed Santuccio's motion, claiming that the company should be notified first so that the problem could be discussed. Santuccio replied, "The city council is still the boss here, and who else but they should be aware of the terms of the transportation contract."

TRUSTEES TO HEAR OF STATE LOAN CHANCES

Jefferson High School trustees hope to learn Monday how the district may become eligible for state loans to finance the Sharp Park and Linda Mar high schools.

In order to become eligible, under the state established ratio of square footage to number of pupils, 375 students may have to be added to Westmoor high, according to Superintendent Edward Morgan.

Morgan spent the entire day last Wednesday in conference with Elwood Lehman of the state division of school house planning to go over statistics to determine the district's best

method of applying for the loan.

Morgan said a dual application would be made, one for Sharp Park, based on 1000 students, and one for Linda Mar, based on 100 students.

"Unhoused" Students
The latter figure would be merely a "bookkeeping" procedure, since the district's "unhoused" children, according to four-year projections, will be 1100, instead of the originally planned 1500.

The "unhoused" total, based on classroom space available, was reduced from 1500 to 1100 because Westmoor was discovered to have too much square footage, according to state specifications. The state loans are made on the basis of "unhoused" children, with a maximum amount of square footage allowable for each youngster. Westmoor exceeds the square footage ratio by 39,862 feet.

This means that Westmoor's student population, originally set at a maximum of 1100, will be boosted to somewhere near 1500 within the next few years in order to make the district eligible for loans for the Coastside schools.

Temporary Classes
Partitions will have to be set up at Westmoor and use made of non-classroom facilities to house the extra students. The district may even have to use a portion of the gymnasium for classrooms, but Morgan said every effort would be made to avoid this, because of the noise problem.

Trustees are also awaiting a report from engineers on the structural condition of the older Jefferson plant, one-third of which is reportedly unsound. The report will recommend whether to demolish or rehabilitate the older portions of the building.

Whether portions are demolished or restored, the district will again be faced with another acute classroom space problem, because the existing facilities will be out of use for several months, possibly up to a year.

State Vows Land To Complete Coast Hi Site

Land to complete the Sharp Park high school site may be available by February 1, Superintendent Edward Morgan revealed after a meeting last week with state division of highway officials.

Under an agreement now under study, the Jefferson Union High school district would deed four of its 50 acres of land to the state highway department, and in turn the highways people would purchase four acres of land contiguous or connected to the Sharp Park site for use by the school district.

The school land sought by the highway department runs parallel with the present Coast Highway, and reduces the district's useable acreage from 31 to 27.

Morgan said the highway department, as a result of last week's meeting, will begin preparing data on land costs in the area adjacent to the Sharp Park site.

"Our position has been that we're dedicated to work with the highway department," Morgan declared. "We want them to recognize our needs, however, and whatever they take away from our present site, we are asking that they return to us in equivalent land."

Should City of Pacifica demand another hearing on the proposed highway, the district's land acquisition program would be tied up at least another six months, Morgan said.

If a second hearing is not requested, the state can execute a highway agreement in the near future and can allocate funds for purchase of the right of way. Since the school property will cost a token \$1, the state will use remaining funds to buy additional land that meets the school district's needs. Morgan said the entire transaction could be completed by February 1.

City Experiments With Yield Signs To Cut Mishaps

Last week the city installed yield signs at Eastgate and Glenwood avenues in an experiment to determine the effectiveness of the signs in reducing accidents.

Police Chief R. A. Petrocchi said today that if the signs are successful, they may be used in other locations in the city. Purpose of the signs is to control traffic at "blind" intersection. (Continued on Page 2)

WATER TANK WILL BE PUT IN USE

Daly City's bacteria plagued wooden water tank will be put into use sometime this week, ending some seven months of frustration for city engineers.

County health engineers inspected the 50,000 gallon stand-by tank Tuesday and said that although several tests had showed the count of dangerous B. Coli bacteria to be over the maximum permitted for drinking water, it was safe for use. The health officials' opinion seemed to be that all was not as bad as the tests have indicated.

Earlier this year a 30,000 gallon wooden tank was rejected after it failed to meet health standards, and the same fate appeared in store for the more recently purchased cistern. The tank is to be used as a stand-by water supply in the Westlake area west of Skyline boulevard.

The county will, however, continue chemical tests of water from the new tank until it is deemed completely safe.

EDGAR A. DOERING
... Minister Is Planner

Minister Is County Planner

The Rev. Edgar A. Doering, Pedro Valley minister, was appointed to the county planning commission Tuesday.

Supervisor Thomas Callan made the nomination.

The Rev. Doering, pastor of Holy Cross Lutheran church, lives at 1395 Linda Mar boulevard, Pedro Valley.

He replaces Carl Pechtel of Half Moon Bay, who "resigned" under fire on a conflict of interest issue.

Callan said that he appointed a minister because "we have so many zoning matters affecting churches I felt we should have someone in there acquainted with the problems."

The Rev. Doering, 34, is married and has a 14-month-old son. He has been minister of the Coastside church for two years, and prior to that held a pastorate in Indiana.

He is a World War II veteran, having flown for the Navy Air Force.

Although this is his first appointment to a public post, he is president of the Laguna Salada Citizens' Group, member of the North Coastside Community Council and the Coastside Ministerial Fellowship.

The minister said he felt "highly honored" to win the appointment.

5 Incumbents Keep Posts In WIA Balloting

Five incumbents were returned to office Monday night in rather light but close balloting for 1958 Westlake Improvement Association officers.

Keeping their jobs by convincing tallies were Casimir Norton, association president, 44 Parkwood drive, top vote of 266; Charles Santuccio, 66 North Mayfair, 265; Edward Murphy, 398 Northgate, 264; Andrew Baffico, 742 Beechwood, 262, and Glenn Zwicker, 133 Brooklawn, 250.

Newcomers to the board are William Silver, Palisades, 257 votes, and Bob Brachman, who lives on Lake Forest drive, with 243 votes. Brachman, veteran sportswriter for a metropolitan daily, was the only successful candidate missing from the meeting.

Some 231 ballots were cast by proxy, compared to a total of 278 last year. The clubhouse was filled to about half its capacity Monday evening.

Norton, entering his third year as a director, indicated that the board would select its officers within the next few weeks.

Silver, 198 Skyline drive, and Brachman replace directors Mrs. Rose Toboni and Richard Stark, who declined to run for 1958.

Some 11 candidates, all nominated by the WIA nominating committee, received votes. Also-rans were: Mrs. Carl Berg, 101 Westridge, 27 votes; Frank Haggerty, 10 Forest Grove drive, 25; Thomas Jovick, 344 Northgate, 8; and Ray Forcina, 80 Lakemont drive, 7.

Kidnap Suspect

NAB EX-MENTAL PATIENT ON SEX CHARGES HERE

A former inmate at Atascadero State Hospital pleaded not guilty in municipal court Tuesday on charges of kidnaping and molesting two Daly City children Sunday evening.

Judge Thomas Bocci set Friday, December 13, for preliminary hearing for Gerald W. Rogers, 31, a warehouseman, who gave his address as 461 Broadway, San Francisco.

Rogers, who admitted he spent two years at the state hospital following conviction on a similar sex offense, is accused of taking a 9-year-old girl and her 4-year-old brother from their parents car in front of 6005 Mission street Sunday about 9:40 p.m.

Sgt. Dave Hansen and Officer Frank Murray spotted Rogers' sedan a few minutes later, parked with its lights and motor off at the deserted end of the Peoria and Wellington intersection near the base of San Bruno mountain.

According to Hansen, Rogers was in the front seat with the girl, the boy in the back seat. The girl revealed the suspect had taken them out of the family car, by saying: "Your mother wants me to take you home."

Neither child appeared to have been harmed, though the girl said Rogers had unbuttoned her dress.

The suspect, held in county jail in lieu of \$10,000 bail, was first quoted as remarking: "I guess they didn't keep me in the hospital long enough. I don't know why I picked these kids up."

POLICE SEEK 'EMERGENCY' VOLUNTEERS

Police Chief Roland Petrocchi today announced a campaign to recruit a Daly City Police Reserve Force to assist the regulars in war-time emergencies or times of natural disaster.

Male adults interested in this group—not to be confused with uniformed special police reserve officers—must be willing to devote a few hours each month to classroom and field training, including patrol in police vehicles.

To be called only for emergencies, these candidates will be identified by arm bands, but will not wear uniforms or carry firearms, Petrocchi pointed out.

Eligible to apply for this emergency reserve force are men over 21 from all walks of life.

Applications may be obtained at Firehouse 5, Westlake Park; Firehouse 2, Parkview and Santa Barbara, and at the City Hall, 75 Wellington avenue.

Training is expected to begin in January.

January 10 Slated As First Day

Holding of half-day sessions of superior court in South San Francisco on a twice-a-month basis was recommended Tuesday by the North County Bar association.

The association, in its recommendation to the county supervisors judicial committee, urged that newly-appointed Superior Judge Frank Blum hold the half-day sessions on the second and fourth Fridays, beginning January 10.

The attorneys group also recommended that a deputy county clerk be assigned a desk in South San Francisco city hall to accept superior court filings from 9 a.m. to 4 p.m.

Municipal Judge Thomas L. Bocci, who sits in South San Francisco, has agreed to hold his sessions in Daly City on Fridays, all day if necessary. Judge Bocci already holds court here Friday mornings.

The bar association speculated that filings of San Francisco attorneys in the north end superior court would soon result in full-day sessions twice a month and ultimately weekly sessions of superior court in South San Francisco.

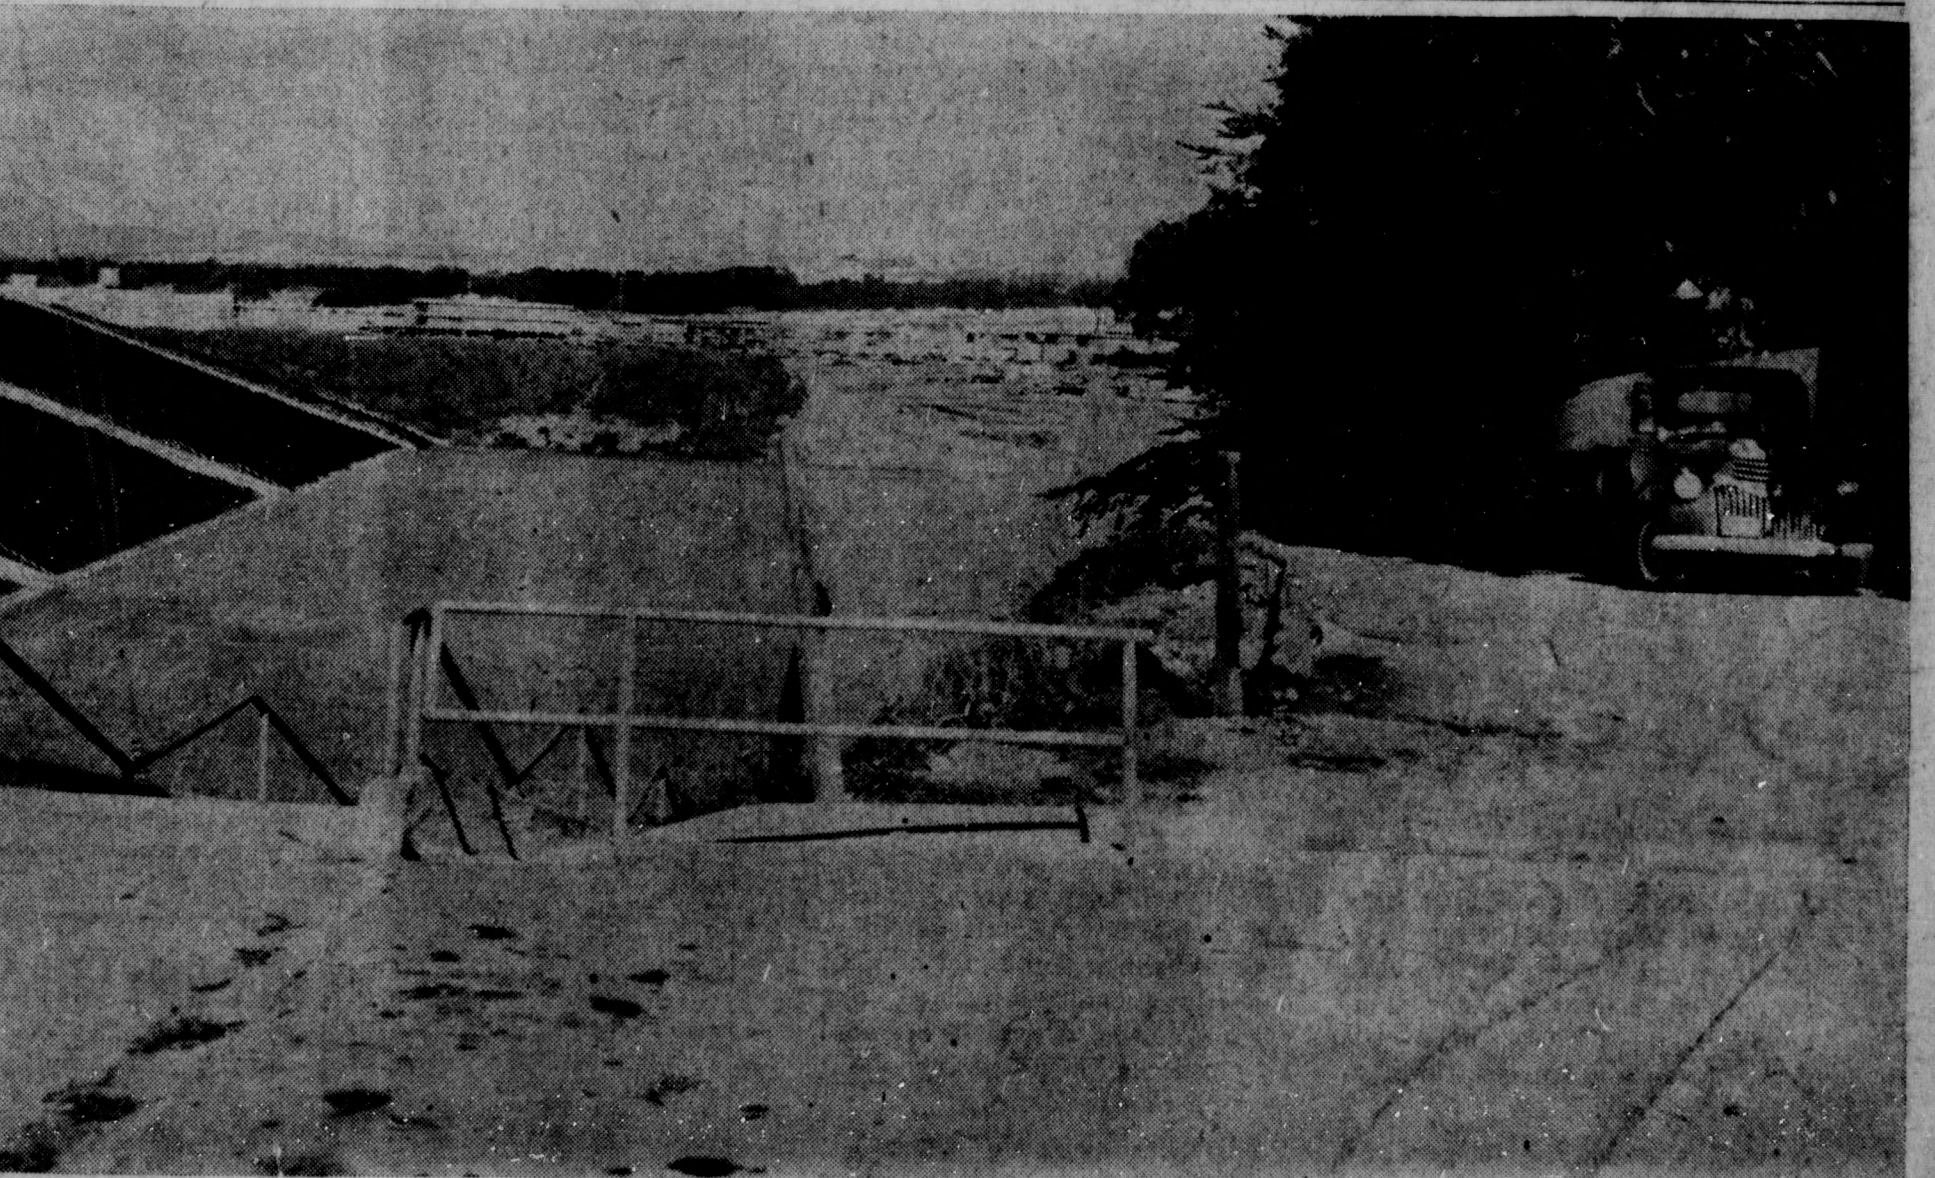

The association's recommendation will be relayed to judicial committee, then to the county supervisors, where it is expected to win approval.

JUDGES TO VISIT S.S.F. COURT TO CHECK FACILITIES

Superior Judges Frank Blum and Louis Dematteis will make a personal inspection of municipal court chambers in South San Francisco this Thursday to determine if there are sufficient facilities to establish a branch of the superior court there.

The two jurists will be accompanied by Guido Rozzi, mayor of South San Francisco, and Municipal Judge Thomas L. Bocci.

The judges and Rozzi will then report to the special committee appointed by county supervisors to study the establishment of a superior court in South San Francisco. The committee meets the following day.

A MAJOR public street connecting Broadmoor and Westlake is planned at this location, the familiar White street dead-end in Broadmoor. At left is Benjamin Franklin school playground while at right, not shown, is Garden Village school playground. Street extension would follow path between two schools over to Park Plaza drive. When Jefferson Elementary School district recently withdrew its protest of the street extension, it cleared the way for builder Henry Doelger to pursue the project. School has asked that an underpass be built under the thoroughfare. THE RECORD photo

TRULY THE COMING OF CHRISTMAS

The coming of Christmas is heralded in hundreds of ways, but one which we feel most typifies the true spirit of the Yuletide season is the annual "Toys for Tots" drive.

The purpose of the campaign is to secure toys and gifts for children of needy families.

Christmas would not be truly Christmas for thousands of Bay Area youngsters were it not for the gifts which "Toys for Tots" make possible.

The drive is sponsored by the United States Marine Corps Reserve, in cooperation with community organizations and municipalities.

Citizens and organizations contribute not only toys for the younger children but items of interest and use for boys and girls between the ages of 12 and 16.

The gifts are distributed to less fortunate children in the community, through coordination with social workers of the city and county.

The 1956 "Toys for Tots" campaign grossed well over 250,000 items.

Goal for 1957 is 300,000 new or nearly new toys and gifts.

Some 110 public elementary schools in the county will have special collection dates for student contributions, while Daly City firemen are assisting the drive by providing storage facilities for the toys at the firehouses.

Everyone will be given an opportunity to donate to the drive, which started yesterday and runs through December 18.

If 300,000 citizens in this city and others throughout the Bay Area each donate one toy, we'll venture that there'll be double that many more smiling faces on Christmas morning.

Letters To The Editor

Housewife Asks Public To Back Special Classes

Dear Editor:

This is an open letter to all parents on "Emotionally Disturbed Children."

Everyone has emotional problems, but the inability to solve these problems results in emotional disturbances. And in a child, this can mean being unable to get along as well as other children in school, up to the inability to attend school at all.

I am the parent of an emotionally disturbed child, who cannot attend a school class. Because of the lack of facilities to help and educate this type of child, there is no place for him in our present scholastic system.

My reason for writing this letter is to try to reach the parents of any children who would benefit from special classes, that is, classes which would be designed to help emotionally disturbed children in working out their problems—something that cannot be done in a regular school class.

It is an impossibility to fight this problem without the cooperation of other parents who either have the same problem or who are interested enough to lend their support in giving our emotionally disturbed children a better chance for a decent future, other than what stands before them now.

I urge anyone who is interested in this program to please contact me, so that we may make a start for something that is long past due.

Thank you,
Mrs. Beth Christian

SALVATION ARMY HAS NEED FOR OLD FURNITURE

The Salvation Rehabilitation Center has a great need at the present time for repairable furniture to be used in the work therapy program. Those who come seeking help with their problems of a social or physical nature are furnished many work therapy hours in reconditioning your used furniture. During the winter months many more are seeking admission to the Center. In order to help these men additional work material is needed.

If you are planning to replace articles of furniture at the Christmas season, don't forget that your old pieces can be put to good use. Items especially needed are chairs, tables, chests, dressers, beds. Call the truck with the Red Shield for a pick-up of your repairable furniture. Call MI 7-7000 in this area for a Red Shield truck.

Crusade Coverage

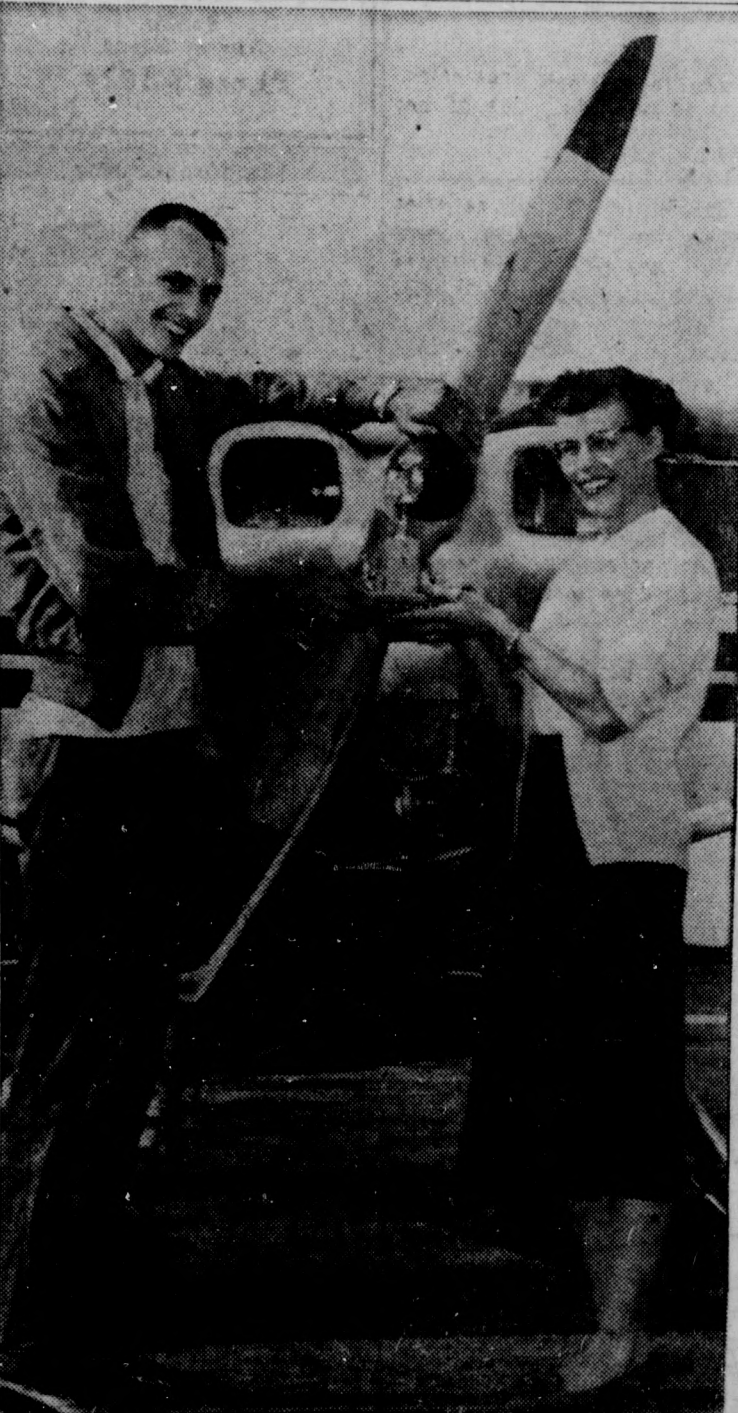

Gentlemen:

We feel very strongly that the outstanding success of the 1957 United Crusade campaign in the Daly City-Colma area was in a large measure due to your wonderful cooperation. The coverage given the Crusade in this area was among the most complete in the county.

On behalf of more than 400 volunteers, (whose door-to-door contacts were made easier); and the agencies who will be helped by the funds collected locally, may we thank you most sincerely for this public service.

With deep appreciation, I remain

Yours very truly,

Marines Sponsor 'Toys For Tots' For Sixth Year

For the sixth year the Marine Corps Reserve is sponsoring the annual "Toys for Tots" campaign for needy children.

Organized drives are being conducted by the local Marine Reservists with the cooperation of public elementary schools in San Mateo county, Shell Oil Stations, Macy's department stores, the San Carlos American Legion, Disabled American Veteran Posts and the San Mateo County Christmas Bureau.

Seven Marine Reserve units are participating in the campaign to collect 300,000 toys in good condition before December 18.

Request for gifts have come from the many agencies of the Community Chest and the campaign directors also are meeting with social and welfare agency leaders to get an idea of toy needs this year.

More than 250,000 items were donated to the Marine's campaign in the Bay Area last year.

The nearest collection agency can be determined by telephoning YU 6-0201.

DC Union Officials Attend Testimonial

Two representatives of Daly City Local 919, Municipal Employees Union, attended a testimonial dinner last week honoring international president Arnold S. Zander.

Attending from Daly City were Joe Intaschi, president, and Barbara Galindo, vice-president, secretary.

Zander spoke of plans for city, county and state employees on the West Coast.

Represented were labor leaders from San Mateo, Santa Clara and San Francisco counties, and South American countries. Regional director Dan J. Scannell, and L. Haggerty from the Sacramento office were among those attending.

Pacifica Baby Hurt Badly In Car Crash Here

A four-week-old Pacifica infant suffered a fractured skull Saturday morning in a two-car collision at the Skyline and Alemany intersection.

Transferred to St. Mary's hospital after examination at Junipero Serra hospital was Michael Sobczak, whose parents live at 323 Glencourt in Westview.

Officers said the Sobczak auto was going north on Skyline when it crashed into one driven by Bishop Ryland, 57, of San Francisco, who was turning on to Alemany from the direction of the Olympic Club.

Michael's mother, Constantine, 24, was treated for knee abrasions. Her husband and the other driver were not injured.

No citations were issued pending further investigation.

Nickel Bake Sale Friday At Woodrow

Plans are being made by the members of Woodrow Wilson PTA for a nickel bake sale this Friday. Chairman Mrs. Mendel Plansky plans the sale in the school multi-use room from 11:15 a.m. until 3:30 p.m. Busy housewives are urged to take advantage of this opportunity to lessen their chores during the holiday season.

Items will sell on a "nickel" basis, with cookies and fudge going three for a nickel; cupcakes and brownies selling at one nickel each. Cakes and pies will sell for more, depending on size and variety.

School children will be able to buy the baked items during the lunch period. Grab bags containing candy and prizes will sell for one nickel each.

Book Drunk Woman At Jeff Hi School

Marie Torres, 40-year-old Daly City cashier, was arrested for drunkenness last Wednesday evening after a janitor at Jefferson High found her in a "helpless" condition in front of the school auto shop.

The woman, who lives at 319 Willits street, was released on \$25 cash bail. She had been arrested before on a similar charge at Marchbanks park, officers revealed.

Judge Jails, Fines Thanksgiving Guest For W'laker Caper

James J. Dector, 20-year-old Thanksgiving guest in Westlake, got five days in county jail and \$250 fine for an alcohol-caused holiday caper here.

Actually, Judge Thomas L. Bocci let the San Francisco laborer off easy, sentencing him on charges of assault and battery and joy riding. Other charges dismissed were car theft, malicious mischief and trespassing.

Admitting he had too much to drink, Dector was reported raising a fuss after he left a friend's home at 988 Southgate. Cops learned via phone that the laborer was trying to steal a car and prowling through nearby backyards, ripping up fences and flowers.

Stopped in front of 29 Montrose, Dector belligerently told police he left his friend's home because of a dispute, presumably over booze.

Officers Steve Steen and Sgt. Dave Hansen had quite a time taking Dector to the clink. The latter had to be handcuffed after he kicked Hansen and missed a few roundhouse swings.

When calmed down, Dector said he was merely going out after more liquor, thus he "borrowed" the car, drove it a few paces, got out, and started his invasion of the backyards. He allowed in court that maybe he couldn't hold his alcohol too well.

Minister Loses \$27 To Burglar

A burglar who entered by prying open a rear basement door took \$27 in church funds Sunday evening from the home of the Rev. Roy H. Austin, 253 Westridge avenue.

Austin said the money was removed from a drawer in the bedroom of his daughter, Cathy, Westmoor student and treasurer of the church youth group.

Nothing else in the house was disturbed, according to the police report.

Brisbaners Plan Lighting Program

Plans for the Christmas lighting program were formulated last week at the regular meeting of the Brisbane Home-owners association.

A large lighted star will be constructed and displayed in a prominent place and leaflets will be distributed to members of the community to encourage participation in the holiday lighting program.

Study on the proposed annexation of Brisbane by South San Francisco was abandoned in a unanimous vote by the members.

Election of Mrs. Lee Beale as trustee was confirmed by the organization.

Mrs. Ruth Wooden was appointed as the organization's representative to meetings of the Jefferson High School district board meetings.

Request for the formation of a north county property owners alliance for mutual benefit of communities in this area was approved.

The group also requested that San Mateo county consider appointing a Brisbane representative to the charter study committee.

JEFFERSON HI-LITES

With Sue Champion Maxine Tebeau

"Blithe Spirit," which was presented November 14 and 15, was one of the most successful plays ever presented by Jefferson students.

A large audience was present on each night of the two performances. All of those who attended spent an enjoyable evening watching the first play of the 1957-58 school year.

Special awards were presented November 14 to students who have performed outstanding services for the student body of Jefferson.

All voting members of the executive board, as well as the head cheer leaders and head pep girl, received these activity awards.

The date of the Junior Prom, "An Affair to Remember," has been set for Friday, December 13.

The music committee chose

Howard Frederick's Band to play for this special occasion. All preparations for the Junior Prom are well underway in order to make "An Affair to Remember" a successful event.

It was announced November 15 that the Tom Tom had exceeded its goal of 750 books and that there definitely will be a yearbook at Jefferson this year.

Joan Bauer is the editor this year, while the assistant yearbook editor is Bruce Tarkenton. Much credit goes to these students and their staff for selling 100 more books than the goal.

All Jefferson students were filled with spirit after winning both the South City football game and the sportsmanship trophy. The trophy was regained from South City through the efforts of a united and enthusiastic student body.

Xmas Seals Issued 'Officially' Via Mails, Post Office

Christmas Seals of the San Mateo County Tuberculosis and Health Association are sold only through the mail or on counters of the local post office.

Fred Bennett, Daly City Christmas Seal chairman, warned today.

Children who have been selling the seals from door to door are doing so without permission of the TB Association, he added. What's more, any money they may collect for the seals is not being received at Association headquarters.

Bennett urged local residents to answer their Christmas Seal letters as soon as possible, to continue the tuberculosis prevention and control activities of the San Mateo County Tuberculosis and Health Association.

Boy, 6, Treated For Cut On Head

John Martin, 6, of 205 Los Banos avenue, required medical treatment Sunday morning for a one-half-inch-deep cut on his head, cause of which was not determinable by police.

Taken to Junipero Serra hospital, the youth told officers his mother hit him with a jar. She denied this, saying the boy had a tendency to "make up stories."

The boy said he had run from his home, then collapsed in the doorway at 257 Los Olivos avenue. He insisted that he was not giving a wrong account of what happened.

Ram Tales by Ron Bosc

The 1957 school press project was held at the San Mateo Health center. The aim of the project was to bring accurate information about tuberculosis to high school students through their school newspapers. Guest speakers were a panel of doctors and newspapermen, who gave important general information about tuberculosis. A demonstration press conference was held among the panel to provide additional information. Co-sponsors of this project were the National Tuberculosis Association, San Mateo County TB and Health Association, and Columbia Scholastic Press Association.

The outcome of this project was a 10-page Rampage, school newspaper, which was dedicated to the fight against TB. It was to give Westmoor students a better idea of how to fight this dreaded disease and to get a glimpse at some of the careers open to people who want to help combat it.

Inside Information

Recently Barbara Newcomb, Westmoor student, was assigned by the Journalism class to go visit the San Mateo County Sanitarium to get a story for our school newspaper. When she arrived, she located Miss Baungrader, director of nurses, and told her that Westmoor was interested in writing a story on the sanitarium, especially on TB. When hearing this she gave Barbara all the information she could, such as how many patients, beds, and others there were, how they were treated, recreational treatment, etc. She was also taken through the auditorium, treatment room, X-ray room, operating room, surgeon's room, utility room, dentist's room, or office, and occupational therapy room.

In 1907, Emily Bissel sold some stamps which had Christmas Holly with a cross in the middle and on which were engraved Merry Christmas and Happy New Year. It was to raise money for a doctor's TB patients. This was so successful that it has been repeated for the last 50 years. The design on the stamp has changed but the thought is the same, so this Christmas when you receive your stamps, give generously, and help to fight the disease of TB.

Jackie Willard has been chosen to represent Westmoor in the D.A.R. Good Citizenship contest. She was selected with this in mind: dependability, service, leadership and patriotism. Senior girls selected three names and submitted them to the faculty. Jackie got it, and the girls who came close were Barbara Fisher and Audrey Walker.

If Jackie wins this contest she will receive a Good Citizenship medal and have a chance to go to the district for higher winnings. The district prize is \$25 and the winner of the district prize will then go to the state contest, that winner winning a trip and a scholarship. Let's hope Jackie makes it.

An evening of fun is in store for the whole family December 6 if you attend Westmoor's Christmas dinner, sponsored by the PTA. The dinner will include ham or fish and the price will be \$1.25 for adults and 75 cents for children. There will also be entertainment, with a basketball game between the faculty and varsity, costing only 50 cents.

Tickets can be purchased at all three Westlake barber shops, from all PTA board members and from Miss Riggs, dean of girls. Dinner reservations are limited, so get your tickets soon.

Field Trip
Some students recently went on a field trip to one of the biggest department stores in San Francisco, the Emporium. The reason was to let the students get a chance to see, behind scenes, how a large department store functioned. The 29 students attending were: Colleen Brugge, Toba Carlson, Ken Crane, Betty Cunningham, Elizabeth Durete, Pat Economou, Donna Ensminger, Carol Finch, Sylvia Gardner, Mariana Koche, Lorena Lorenzen, Carole Lucas, Sally Lucas, Dianne Marquardt, Chris Pettibone, Diane Richter, Dave Simons, Nancy Valentine, Diane Verducci, Jay Vollmar, Sharon Warnock, Linda Wells, Evon Wyrick, Lynda Baumgardner, Peggy Jones, Mardell Fox, Marcie Jadinak, Marian Radzinski, and Joan Kinos. The trip was chaperoned by Miss Marvellas and it proved to be an interesting experience.

Judea Membership Drive Brings In 76 Newcomers

Dr. Sanford A. Marcus, membership chairman, reports that 76 new membership applications have been received by Temple Judea since the beginning of the drive in September.

Membership teams have been going out every Tuesday evening in the intensive campaign. Information regarding membership may be obtained by calling the Temple Office, PL 5-6362.

Regular Sabbath services will be held at the Temple House, 95 South Mayfair avenue, this Friday evening at 8:30. Rabbi Irving F. Reichert will officiate and Mr. Roth will chant the traditional melodies accompanied by Dr. Leonard Beck, organist. Mrs. Kenneth Weschler will kindle the Sabbath lights in honor of her baby daughter's recent recovery. Members of the Sisterhood will serve at the Oneg Shabbat following the services.

The regular meeting of the Sisterhood will be a dessert

luncheon on Tuesday, December 10. At this meeting, Rabbi Irving F. Reichert will discuss "The Modern Significance of Chanukah."

The Men's Club of Temple Judea have set aside Wednesday night, December 11, 8:30 p.m., as game night. Refreshments will be served and the men will play their favorite card games.

Charles Becker, president of Congregation Judea, and Mrs. Bertram S. Silver, chairman of the committee on building plans, have been delegated by the Board of Directors to attend the meeting in New York City under the auspices of the Union of American Hebrew Congregations for the purpose of exchanging information regarding Temple building programs and fund-raising campaigns. Becker and Mrs. Silver will report to the Board of Directors on their return from the convention next week.

Jobs Daughters Attend SF Confab

Seven members of Bethel 198, I.O.J.D., attended the recent state convention of Jobs Daughters held in San Jose, Calif.

One of the local delegates, Annette Turman, past honored queen of the Daly City Bethel, was installed as one of the grand officers of the state.

Others attending were: Carol Weibel, Pat Bertelli, Barbara Newcomb, Judy Krueger, Ann Schweitzer and Donna Dennis.

W'lake Dancing Students 'Step' At NIKE Base

A program featuring the students of Irene Weed, who conducts dance classes at the Westlake Auditorium and in San Francisco, was staged recently for service personnel and their families at the Angel Island Nike Base.

It was an exciting experience for the children as they enjoyed the Army bus ride to Camp Baker and the boat ride to Angel Island. Dinner was served to all the entertainers.

The entertainment was varied, the Mother's Hawaiian dance class performed gourd and comedy hulas, and the children provided the tap, ballet, songs, and character routines.

Students from St. Paul's High School, Judith Nolan and Joan Noncentini, accompanied at the piano by Nanci Brier, sang popular songs.

Mixers and social dancing followed the program, the audience participating in such dances as the Charleston, bop, chicken step and the hokey pokey.

Children participating were: Ruth Ann and Mabel Lynn Huelse, Elaine Myrtakis, Gloria and Sandra Carnaglia, Joan and Judy Hertz, Diane Harkins, Amada Cubia, Rosalie Dexter and Betty Cooper. Miss Weed was emcee and supervised social dance activity.

SYMBOL OF VALUE

By Jean Taylor

If you placed the word "salt" before Bergan Evans' TV panel, I am wondering how many salty expressions they'd come up with—for there are many phrases derived from the taste of salt. I for one can think of "the old salt," "salty speech," "take it with a grain of salt," "the salt of skepticism," "salty wit" and the "salty tongue"—and I am sure there are many more. It's not so strange that salt should have inspired these well-known usages for salt, after all, is sharp and tangy to the taste. Yet how many of us stop to think of the real value of salt itself?

It is known that animal life cannot exist without salt. Predatory animals, which eat no salt, get their supply from the blood of their prey, while vegetarian animals make paths through the jungle to the precious salt licks. Salt is also the symbol of human balance. Human beings cannot exist without salt, because salt is necessary in the body as one vital factor in maintaining the balance of body fluids. All the tissues and body fluids require a proper percentage of ordinary salt to function normally.

And then there's the value of its excellent seasoning function—especially when it's "Morton's Salt." For wherever you find good food and good cooking, you'll find there's "Morton's Salt" on the table.

Woodrow Wilson 'Father's Night' Goes Over Big

"Father's Night" at Woodrow Wilson PTA was termed "a big success" by President Mrs. W. Clark. A large attendance of fathers applauded Mrs. Campbell's fourth graders. The play the children presented was keyed to the Book Week theme.

Also on the program, planned by Mrs. Anthony Giammona, was a movie, "California and Its Natural Resources."

Mrs. Rafael Montalvo has been appointed chairman for the Mothers' March of Dimes in January.

Plans are being made for a Nickel Bake Sale on December 6. Chairman, Mrs. M. Planks, plans the sale at Woodrow Wilson school from 11:15 a.m. until 3:30 p.m. Busy housewives are urged to take advantage of this opportunity to lessen their chores during the holiday season.

BEAUTY

By Jean Taylor

Keats in his famous lines, "A thing of beauty is a joy forever," established a lasting criterion for all that is beautiful. A thing of beauty is indeed a joy forever, its loveliness increasing! But what is beauty? Beauty is that quality in a painting, or a musical composition, or a poem, which gives pleasure. The most beautiful painting of our times will go down as giving the greatest pleasure to the most people. In spite of the divergent schools of thought in art today, no one can argue that a good painting is a beautiful painting, although it may be that we may have to be educated to its particular type of beauty.

There are always new ways of embracing beauty. Beauty goes through different stages. Take a house. At one time it was indeed beautiful when it was Victorian in style, at another stage, it was thought beautiful when it was French provincial—and so on. Today we call a modern house, designed for sunlight and freedom, beautiful. We are accustomed to a new type of beauty. Yet in selecting our home we want the style of home best suited to our idea of beauty. And we want to use quality paints to set off the beauty of our home. That is why discriminating home owners select "General Paints," especially prepared to beautify your home.

Catholic Women Set Xmas-Theme Meeting

Entertainment and refreshments will be centered around the Christmas theme when the Westlake Catholic Women hold their final meeting of 1957 next Monday evening, according to Mrs. Walter J. McElroy Jr., president of the organization.

Main topic of interest will be the approaching Fashion Show scheduled February 1, 1958, at the Fairmont hotel.

Mrs. Robert Martini and Mrs. Donald Castronovo are arranging for refreshments for the evening.

Mrs. John Karmoian, Mrs. Michael Griffin, Mrs. Clarence Stringer and Mrs. Thomas O'Brien, of the hospitality committee, will welcome all new members to the meeting, which follows the 8 p.m. Novena to Our Lady of Perpetual Help at Our Lady of Mercy church.

Two For Tonight

By Leonore Brewer

One of Loew's executives said not too long ago, "There is nothing wrong with this industry that good pictures cannot cure." This is aptly illustrated by the current film at Loew's Warfield, "Les Girls," starring Gene Kelly, Mitzi Gaynor, Ken Kendall and Taina Elg.

Several months ago Fortune magazine ran an article which pictured the old Metro lion as having come a long way from his days of rampant glory; he was just plain moth-eaten in fact. But there's lots of life in puss yet, and "Les Girls" illustrates again that there isn't any studio that can do a musical with quite the flair and finesse of Metro.

Long Claws

The tale opens in a British courtroom where we find Miss Kendall on trial. It seems that she has written a book and, following the advice all aspiring writers receive, she has written about something she knows—her experiences as a member of the "Barry Nichols (Gene Kelly) and Les Girls" act.

There's only one difficulty: what she remembers is different from what Taina Elg remembers and the latter has come over from France to sue her for libel. By the use of flash-backs, each tells her side of the controversial incident, namely her relationship with Gene Kelly.

The versions have similarities, of course, but it's their differences that contribute to the gaiety of the picture. If we are to believe Miss Kendall, Miss Elg was a long-clawed little minx; and if we listen to Miss Elg, we learn that Kay Kendall is a dipsomaniac, given to hiding her gin in her perfume atomizer. Kelly, too, is different, depending upon

Newsboy Flees Robbery Attempt

A 13-year-old newsboy, making his monthly collections Saturday night, thwarted a would-be robber by running to the safety of a nearby home.

Richard Hanick, of 181 Gambetta street, told police he was collecting in the 100 block on Abbott near Bismark about 7:30 p.m. when an old model sedan pulled to the curb near him. Its occupant, described as a Latin-type man about 40 years old, demanded: "Give me all your money, sonny."

Hanick's flight prompted the man to speed away.

Police said the would-be robber apparently was quite familiar with the monthly collection routine of news carriers.

SIGNAL

One good motoring habit that everyone should develop is to signal before changing lanes. Do it automatically all the time, suggests the California State Automobile Association, even when you can't see another car behind.

who's telling it, and his own picture of himself is devastating. Only Mitzi never changes, retaining her customary well-scrubbed wholesomeness.

Saucy Costumes

The Cole Porter tunes and Jack Cole's choreography team up effectively. The song-and-dance sequences range from the saucy "Ladies In Waiting" to something we never see in its entirety, a real weirdy titled "The Rope Song."

"Ca C'est L'Amour" is a pretty little ballad sung by Taina Elg and Kelly against a setting which reminded us of a still from "Bardelys the Magnificent," starring John Gilbert and Eleanor Boardman and made at M-G-M in its golden days thirty-one years ago.

This still is so impressive that we've always wondered what the film was like. Maybe a reader with a long memory will write us care of the paper and tell us.

AWARD CERTIFICATES

Crocker, Pershing Schools, Backed By PTA, Fete Their 'Best Citizens'

Increased emphasis on citizenship training with the school program has prompted General Pershing school and more recently the Crocker school, with the financial assistance of the Crocker-Pershing PTA, to reward children who have shown an awareness toward responsible conduct during the school day.

Children who have shown desirable traits are issued a Good Citizenship Certificate at each report card period. Statistically, the trend has risen numerically. Initially 45 pupils in 1955 were issued certificates. The second year over 95 pupils showed good traits. This year at the first report card issuance, over 130 pupils at General Pershing have adapted themselves to the program.

If a child receives a certificate consecutively for all four report card periods, he is honored in June with a gold-plated emblem, donated by the Crocker-Pershing PTA, which indicates his cooperation toward Good Citizenship training.

The following children received their certificate at the first report card period on November 13.

THE FABULOUS TIN CAN

By Jean Taylor

The tin can has long been the butt of many a billy goat story—for goats are known for their affection for tin cans, in fact, they will eat anything! Tin cans are associated with many things—take weddings, you'll see them trailing after a honeymoon car much to the annoyance and embarrassment of the riders. And of course, you'll find your tin can wherever there's civilization, for the can has become a vital part of our living.

When you pull a tin can of food from off your cupboard shelf do you ever stop to think what brought it there? It's so convenient—so easy to open with the flip of an opener, and all you have to do is to heat the food and serve it. We seem to take all this for granted. Think of the many things that brought it to you—all the very complicated processes that go into itself, which must be manufactured to meet the most exacting standards of safety—for each tin can is coated with plating which saves the tin and resists corrosion and rusting. Yet we take all this for granted.

Today the manufacturing of cans is one of our greatest industries, and the Continental Can Company is the pioneer. One of the best examples of can making, under scientifically controlled conditions, is the Continental Can Company, where every detail of the process is carried out to perfection, so that you may enjoy your evening meal.

POPULAR BAY AREA singing group, the United-Aires, will be featured in a half-hour concert of Christmas carols when the Broadmoor Property Owners Association opens its five-day Christmas festival Friday, December 20, at 8 p.m. Scene of the festivities, which will be climaxed Christmas Eve with the finals of the caroling contest, will be the corner of 87th and Washington streets in Broadmoor. The United-Aires, 18 strong, consists of United Air Lines employees directed by William G. Haynes, of Belmont, extreme right.

18-MAN CHORAL GROUP

"United-Aires" To Help Launch Broadmoor's Holiday Festival

Broadmoor Property Owners Association's plans for a five-day Christmas festival began to take shape this week when the United-Aires, Bay Area singing group, accepted the BPOA's invitation to appear here Friday, December 20, and help launch the Association's Yuletide commemoration.

A non-professional group, the 18-man choir made up of United Air Lines employees has performed before various Peninsula church and civic organizations and only recently, was featured in a concert at Golden Gate park and at a St. Francis hotel dinner for W. A. Patterson, United Air Lines president. Although the group, directed by William G. Haynes, of Belmont, specializes in semi-classical and novelty numbers, their BPOA appearance will feature mostly old-time carols.

pearance will feature mostly old-time carols.

In announcing participation by the United-Aires, Edward J. Lee, BPOA president, reminded Broadmoor residents of the caroling contest which will highlight the Christmas festival.

"Letters were sent out early this week to church and other group leaders," said Lee, "soliciting their participation in the contest. There will be two divisions—adults and children—and the top five performers in each division will compete for cash prizes during the finals scheduled for Christmas Eve."

Lee pointed out that the contest is open to any regularly organized or informal group of residents and their friends, with 10 or more members per group. Application blanks may be secured from Mrs. A. G. Dellino, contest chairman, by calling PLaza 5-1434 or addressing a request to her at the BPOA Community Center, 714 White Street, Colma. Applicants will be advised of the date and time their groups are scheduled to perform for the festival audience.

Have you looked at your driver's license lately to see if it has expired? Check it now reminds the California State Automobile Association, and renew it promptly in the event that it has expired.

"IT WAS A NICE TRY, BUT..." seems to sum up public opinion about competitive cars attempting to equal the styling and features of the Swept-Wing 58. They tried to get as low, but had to lower the roof to do it. (Less headroom, same high, boxy, cooped-up look). Their windshields got smaller, while ours got bigger. Most of them still don't have Total-Contact Brakes to assure smooth, even, safe stops when needed. Nor do they offer push-button TorqueFlite, the proven automatic transmission, and Constant-Control power steering that works full time—not part time as some other systems do. And Dodge no-sway, no-dip Torsion-Aire is standard equipment. (Bus-type air springs offered by some cars cost well over \$100.00 extra.) So compare all the 1958 models with Dodge. We think you'll agree: Other cars are catching on, but they can't catch up.

TV and Radio

By Mona Baker

Last week in the San Francisco City Hall an important legislative hearing was held that should be of interest and concern to everyone who enjoys "free" television. With Assemblyman Louis Francis (Rep-San Mateo) as chairman, the Assembly Subcommittee on Corporation Laws has been holding hearings throughout the state on the question of whether Pay-TV is necessary or in the public interest. We attended the Friday morning session and after listening to the discussions, we are still concerned about several questions.

What programs would Pay-TV offer us that we do not have already? Let's take a look at a few recent outstanding programs carried by free television as an example of the wide range of subjects. Just within the last couple of weeks over the TV lanes have been exciting documentaries such as CBS' "Twentieth Century"... delightful children's programs including the NBC production "Pied Piper of Hamelin" and ABC's "Disneyland"... fine dramatic programs over NBC's "Matinee Theater" and CBS's "Playhouse 90"... excellent sport

coverage of football games and boxing...splendid musical productions such as NBC's "Annie Get Your Gun"...expanded news coverage both national and local including special programs on earth satellites...interviews with leading world statesmen...panel discussions...programs on science and mathematics...television has brought them all to us FREE.

Would Pay-TV end free shows? According to a recent statement by Robert W. Sar-noff, president of NBC, "pay-television can succeed only by devoting the substance of free television. Thus, the viewers will become its victims, and with their freedom of choice gone, they will pay for the entertainment they now receive free and in the process lose all other benefits of free television. He added that if pay-television does emerge as a replacement for free broadcast-ing, "We, like the public, will have no choice but to follow the pay tide."

We are opposed to pay-TV and believe that viewers would gain nothing except another monthly bill. You as a viewer and citizen have a right to express your opinion. Address the Assembly Subcommittee on Corporation Laws in Sacramento. Write today...it may be later than you think.

DC-COLMA Lions Club and volunteers this weekend will give the Coy L. Stamps' home at 129 Shakespear street a new look via a complete interior paint job. Above, Ray Charrette, co-chairman of the project for Daly City's "Blind Family Of The Year," discusses the job with Mrs. Stamps, as son Donald, 2, and Smokey,

a guide-dog, listen in. The Lions have enough money to do the inside job, but they could use more cash and materials to get some asbestos siding for the exterior. Anyone wishing to help should immediately call PL 5-3100, PL 5-5947, or report to 40 Hillcrest drive.

THE RECORD - Page 7

Strictly For Veterans

By Grace Hill

You're a war veteran and you have a disability you think is service connected. But you have never applied for compensation before. What should you do to prove your case to the Veterans Administration?

First, visit your County Veterans' Service Officer in Redwood City Courthouse or the Service Officer of a veterans' organization. Bring along your discharge certificate or DD form 214 (that's the transcript of the high points of your military service.) If possible, bring along a doctor's statement about your condition, how it got that way and how long ago it started.

After reviewing the facts, you will be assisted in filing an application for compensation. The application will then be sent to the nearest Veterans Administration Regional Office along with your power of attorney to the veterans organization of your choice. The organization charges no fees at any time, and will keep tabs on your application.

The Veterans Administration will check to make sure you are eligible under the law. It will send to the Armed Forces for your service record and will assign you a claim number, which you should use regularly from then on.

If all is in order, you may eventually be called in for a physical examination. The next step is a referral to a Veter-

ans Administration Rating Board of three specialists. You may be able to make a personal appearance before the board, and you can bring along a representative from the veterans organization handling your case.

The purpose of the Rating Board hearing is to determine the degree of your disability on a percentage basis, according to existing laws and regulations. The severity of your disability will determine the amount of your compensation.

Unit Activities
With the Holiday Season rapidly approaching, all organizations have plans for coming parties and celebrations.

The Past Presidents of Daly City Unit 410, American Legion Auxiliary, will hold their regular meeting and a Christmas party, Wednesday evening, December 11, at the home of Mrs. Erma Magnuson. Plans to assist in the Women's Ward party at Palo Alto hospital will be made at that time.

The American War Mothers will hold their hospital party at Ft. Miles, Thursday evening. The holiday theme will be used and gifts will be distributed.

Broadmoor Unit 824, American Legion Auxiliary, will hold its annual Christmas party on Tuesday evening, December 17.

Brisbane Post and Unit 473, American Legion, will hold a Community Christmas party in cooperation with other community organizations, Saturday evening, December 21.

The 26th District, American Legion Auxiliary, will hold its regular meeting Friday evening, December 13, in Brisbane Legion hall. The junior members of the Auxiliary will be special guests at a Christmas party that evening.

Garcia, Tapia Win All-Peninsula League Honors

SPORTSWRITERS VOTE

Ryan, Martinez, Roller Get 'Honorable Mention'

By Roy Hurlbert

Quarterback Paul Tapia and end Pete Garcia of Jefferson won berths on the 1957 All-Peninsula League football team, it was announced today by the Peninsula Sportswriters Association.

End Gary Ryan and halfback Sonny Martinez of Coach Joe McGrath's varsity were accorded honorable mention recognition, as was Westmoor's Bob Roller, an all-purpose dependable for Coach Pete Matisi.

Champion Capuchino dominated the first team with five players. QB Greg Stikes, Burlingame, made "Player Of The Year" unanimously. The scribes failed to pick a "Coach Of The Year," though Elmer Schaake (Burlingame) and McGrath were mentioned.

Good Company

Tapia, the steady senior who lead the circuit in total offense, passing yardage, and touchdowns, joins Stikes and Capuchino's Gene Tagliaferri and Jerry Scattini in the first team's all-star backfield.

Garcia, only junior honored on the "best" eleven, was a unanimous selection. One of the better college prospects in the area, Pete finished second in league scoring and runner-up to teammate Ryan for pass catches.

Balloting for the two end slots was a debated affair, with Ryan losing out by a 5-1 vote. Gary, Garcia and John Papini of Cap were rated so close that one scribe suggested naming all three to the first team. This motion failed for lack of a second.

Others in the first-team line are tackles Len Nicholson (Hillsdale) and Bill Bowman (Cap), guards Neal Dahlen (Cap) and Bill Dickey (South SF), and center Bill Bradford (Burlingame).

Second Team

The honorable mention backfield is rounded out by San Mateo's Bob Devine and Cap's Gary Russell. The second team's line includes Gary Twogood (Cap), Steve Player (San Mateo), Tom Billings (San Mateo), Dick Cloud (Burlingame), Dick Nichol (Hillsdale), and Phil Barry (Cap).

Biggest surprise in the selections was the "demotion" of Cap's Twogood to the honorable mention list. His coach, Paul Baldwin, indicated that the outstanding youngster had let down from mid-season on, therefore Cap's other fine tackle, Bowman, got the nod. Earlier this season, Twogood was named to the All-American high school team.

AFTERNOON DANGER

The largest percentage of accidents occur in the late afternoon, between the hours of four and six. The California State Automobile Association offers this suggestion: when you are homeward bound during these hours, slow down a little and take your time Get home safely.

HISTORIC BUILDINGS

Sacramento has more historic buildings dating from the American pioneer period than any other city in California, reports the California State Automobile Association.

McGrath Looks Ahead: Grid Prospects Good

Despite the loss of 15 heavy duty seniors, Jeff Coach Joe McGrath will greet the 1958 Peninsula League football season with a strong nucleus of 16 returnees from the current squad.

McGrath, beset by the worst siege of injuries in the school's history, this campaign of necessity "played his bench" in every game. These eager soph and juniors got the type of work this year that will make them mainstays next time.

Seniors bowing out against South City last week were Paul Tapia, Gary Ryan, Sonny Martinez, Pat Lena, Herb Dirks, Nell Dunford, Dwayne Cook, Bob Berry, Barry Haanen, Pat

Stats Show Tribe Did Very Well

Jefferson's football Indians swept in a goodly share of Peninsula League honors this season, according to final stats released today by the Peninsula Sportswriters Association.

QB Paul Tapia outlasted Cap's Gene Tagliaferri for total individual offense, 1336 to 1196 yards. Paul's yardage all came on passes, putting him far in front in the aerial department.

Tapia hurled 18 scoring strikes and wound up with 85 completions in 170 attempts for a 50 percent throwing average.

Jeff finished one-two-three in pass receiving, with Ryan the best in the league with 31 catches for 369 yards and 5 touchdowns. Pete Garcia grabbed 26 aeriels for 533 yards and 8 scores, while swift Sonny Martinez was next with 16 grabs for 326 yards and 2 six-pointers.

Tagliaferri captured scoring honors with 10 TD's and 19 extras for 79 points. Garcia was a strong second with 8 TD's and 4 extras for 52 points. Ryan's 32 points placed him fifth in the loop.

Westmoor QB Dave Simons ranked fourth in passing with 48 hits in 121 tries for 514 yards and 4 touchdowns.

Westmoor Student Teams Collide Friday With Faculty Aggregations

Youth versus experience, the never-ending argument, will get another physical test this Friday evening, December 6, when Westmoor High's girls and boys clash with their respected faculty squads in volleyball and basketball.

The contests will be the trimmings to a Christmas dinner, sponsored by the Westmoor PTA, a growing and enthusiastic organization.

The dinner, offered from 6 to 7 p.m., will be held in the school cafeteria. Tickets are on sale at Westlake barber shops, or by phoning Mrs. Hoyer, EL 5-2082, or Miss Riggs, dean of girls, PL 6-3434. The feed costs adults just \$1.25, and children under 12 only 75 cents. The athletic contests are offered for 50 cents to one and all.

For the 6:45 p.m. volleyball game with the Westmoor coeds, the faculty will field a team consisting of Connie Maravelias, Doris Lindfors, Margaret Riggs, Mary Ann Holden, Norma Raddue, Sylvia Smith, Lavone Shea, Shirley Minaker and Barbara Bosio. The student team is stocked with Carolyn Bice, Ellen Cortesi, Sandy Smith, Arleen Hansen, Sally Lucas, Rose Ann Berg, Sharon Warnock, Arlene Anderson and Carol Bergdahl.

The college-tested faculty basketball five will offer the Ram varsity formidable competition with an 8 p.m. tipoff. Nucleus of the instructors' attack is built around the P. E. department force of Byron Van Alstyne, Tony Giammona,

47 Youngsters Drill For PAL Boxing Tourney

Daly City's spanking new Police Athletic League got off to a rolling start last week as 47 youths participated in initial boxing workouts for the coming tournament.

Basketball, the PAL's second activity, gets underway this Wednesday night at War Memorial Building on Mission street. Boys aged 8 to 18 are encouraged to report to the War Memorial gym for the instruction. A PAL team will be picked from the candidates.

On hand as instructors for basketball are Jerry Galindo, Frank Murray, Richard Brewer and John Coleman, PAL president. The sessions, planned weekly, are held from 7 to 9 p.m.

Giving ring pointers at the Monday evening boxing classes at Jefferson High gym are Ed Beecher, Jimmy Crudo, Bill Chalmers, Wayne Carr and Murray. These workouts are held from 7 to 9 p.m.

All boys in the above-mentioned age brackets can get full information on the PAL by contacting Coleman or other officers at the police department, 75 Wellington avenue, PL 5-0850.

Indian Cagers Start By Beating Tam, 53-45

Senior guards Gary Ryan and Barrie Haanen shared scoring honors Tuesday afternoon as Jefferson's varsity cagers rolled past Tamalpais in a season-

opening practice game here, 53-45. Coach Mike Orlich's fast-breaking Indians, with Ryan pumping in 20 and Haanen 18

points, were never behind. They led at the quarter marks, 11-9, 27-23 and 34-31.

Center Kay Anderson was the spark for the losers, tallying 18 points.

Dennis Marc, biggest man on the height-shy Jeff squad, started at center. Orlich opened with forwards Puzzy Firth and Bob Berry. Wayne Lewis, former 30's scoring champ, also looked good at forward.

Steve Mazzera's Indian 30's lost to the Tam light weights, 34-23, after trailing at half-time, 19-16. Guard Ron Kalin, with 9 points, and forward Sonny Richmond, with 5, led the Jeff attack.

Orlich's varsity competes this Friday and Saturday in the annual Hayward Invitational. The Indians open Friday afternoon at 2 o'clock against Castro Valley. That evening, they meet either the winner or loser of the Arroyo-Hayward game. Finals are Saturday night.

The Indians host Galileo here next Tuesday afternoon and Sonora the following Friday evening in Jeff gym at 6:45 p.m.

GALILEO ROMPS

Westmoor 5 Drops Second Test, 61-21

With two regulars fouling out early, Westmoor's varsity cagers fell apart in the second half Monday afternoon and were overwhelmed by Galileo High in a practice game at the Ram gym, 61-21. The Lion 30's also won, 34-24.

Tony Giammona's varsity,

Schoenfeldt, held the Galileans to a 22-16 half-time margin. But forward Gary Twitty went out on fouls in the second period and center Larry Harper exceeded the quota early in the third stanza.

Ross Holmgren's 9 points was tops for the Rams. Twitty had 7, all in the first period. Jim Heick was high for Byron Van Alstyne's 30's. He got 8 points. Intermission found Westmoor behind, 21-18.

Last week, the Ram fives opened the campaign by losing a pair here to powerful Sequoia. Varsity count was 62-31.

Bill Dougherty and Dick Reese, two good sophs, round out Giammona's present starting unit. Schoenfeldt, sidelined by a leg injury, should be ready for action in a couple of weeks.

The Ram varsity engaged the faculty squad this Friday night following the PTA dinner. Next Tuesday, Westmoor hosts Serra's two teams, followed by a Friday engagement with Palo Alto.

HOLE-IN-ONE TOURNEY BEGINS AT COLMA RANGE

Marian Council, Knights of Columbus, opened its five-day Hole-In-One golf tournament this Wednesday at the Colma Driving Range. Competition ends Sunday evening.

More than \$2500 in prizes for both groups and individuals will be awarded at the annual affair, reports Andy Parodi, tournament chairman.

TOUCH-FOOTBALL

Steve Funai Leads Westlake Park To Title Win Over OLPH, 18-13

With Steve Funai the biggest punch, Westlake Park overcame a 13-0 deficit to score an 18-13 victory over Our Lady of Perpetual Help last Saturday for the city championship in the Eighth Grade Touch Football League.

The other city champs are Benjamin Franklin's sixth graders and the OLPH seventh graders, both with unbeaten seasons.

Funai's 45-yard romp gave Westlake Park the eighth grade title Saturday. His mates were trailing 13-12 before his run cinched the contest.

Terry Irwin's one-yard line smash and Vic Kulik's 30-yard aerial to Al Cacicado gave OLPH an early 13-0 edge. Kulik's 35-yard sprint set up the first tally. He also passed to Cacicado for the extra point following the second score.

Funai brought the Westlakers back in the ball game with two scoring tosses, one to Bill Fauber, the second to Ed Ko-

Demo Women Hold White Donkey Sale

For a pre-holiday party the Democratic women of San Mateo county will hold a White Donkey sale at their next meeting to be held Tuesday in the Burlingame recreation hall at 850 Burlingame avenue.

In addition to a night of fun and politics, Dan Monaco, San Mateo and Pacifica attorney, who has just declared himself a candidate for supervisor from the second supervisorial district will be on hand and help tend the huge fireplace in the hall and greet the husband and families of the Democratic women.

For further information call Mrs. Otto Krawetz of Colma, PL 5-3166, or Mrs. Peter Giampaoli of San Mateo, DI 4-31894.

REDWOOD PLANTING

Redwood trees will be planted along certain stretches of U. S. Highway 101 where these trees do not grow, reports the California State Automobile Association.
